CONSTRUCTION SUMMIT 2024

**Dr. Wen Pan,
Co-Founder and CEO**

OUR MISSION

Our target market is the **construction coating industry**.

At Nova Spraytec , we practice **ethical automation**.

We provide the work force with **more efficient tools**, to make hard tasks on construction sites easier and **enhance human performance**.

We are revolutionizing the traditional construction painting industry by introducing an **efficient product**.

Our mission is to make painting professionals **lives easier** and to keep their operation **sustainable**.

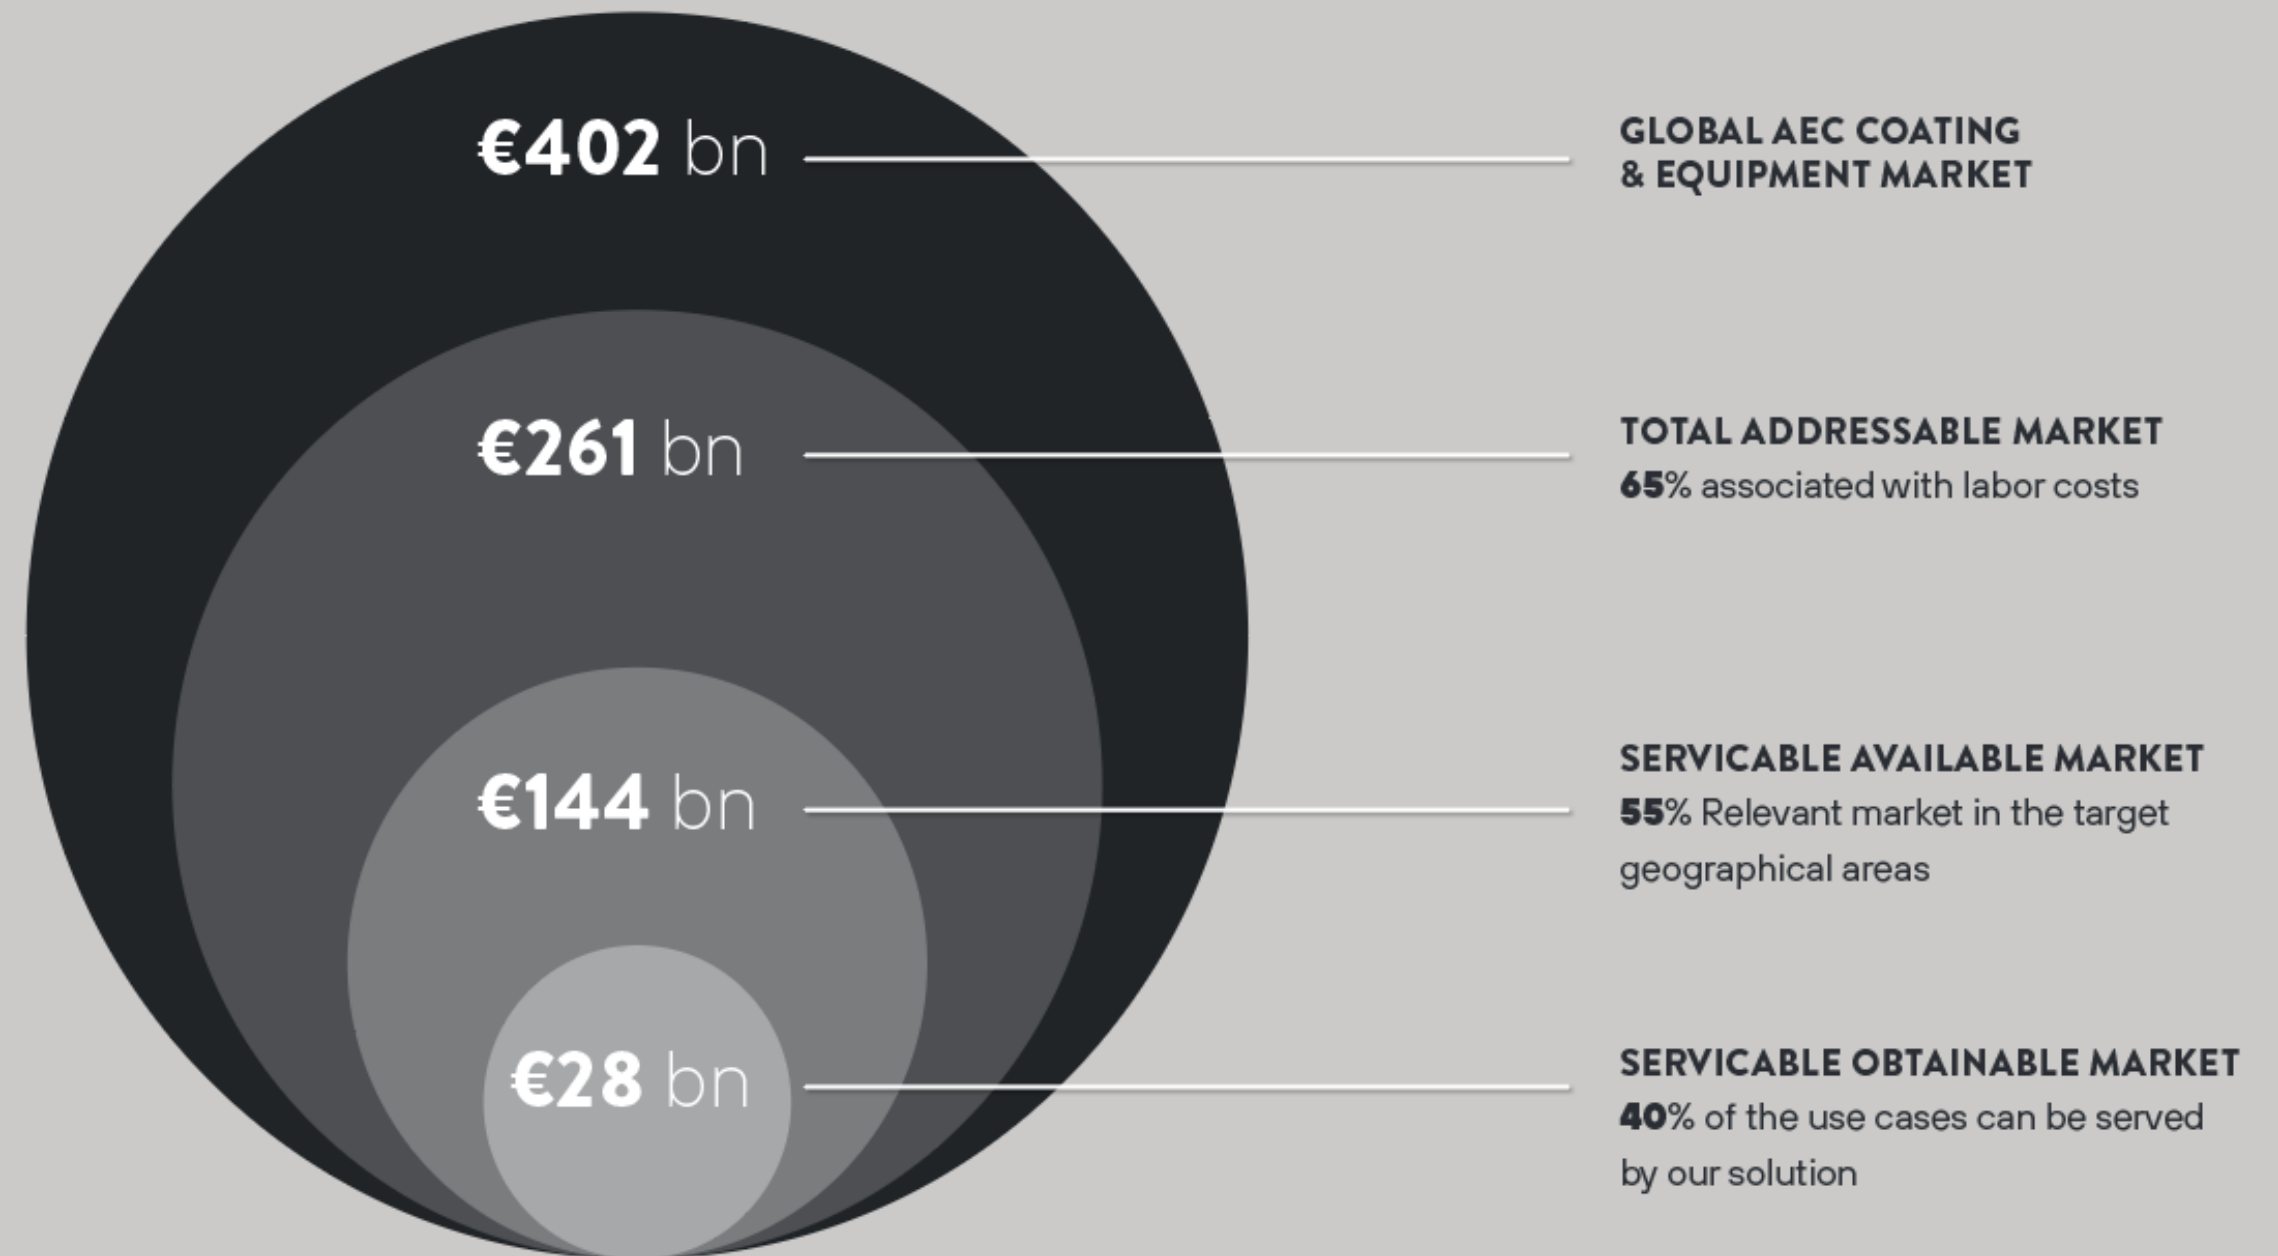

MARKET OPPORTUNITIES

Over **35 million** buildings need to be renovated by 2030

The German government's target is to build **400,000** units of housing by 2025

The EU requires an additional **1.5 million** construction workers to meet the demand
