# Call operations *simplified.*

March 2025

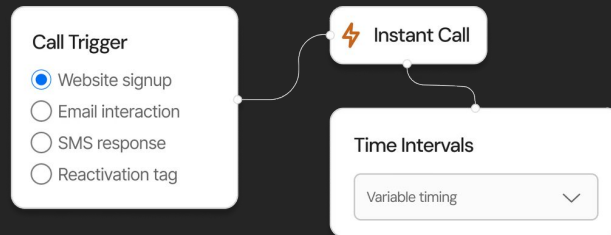

INTRO

# telli is the next-generation AI Call Automation Platform

AI phone calls that *convert*  
*engage*  
*book*  
*reactivate*

...

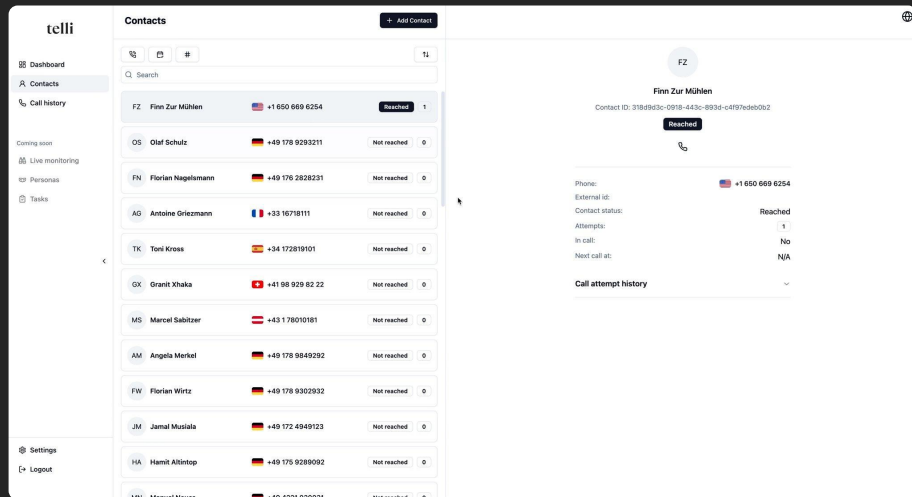

Built by people from

Backed by

# Our customers are automating hundreds of calls per day through telli

>100.000  
calls for customers

>50.000  
contact end customers

use cases

Some of our customers

# telli is with you in every step of the customer journey

## Pre-Sales

 Pre-qualification

 Appointment booking

 Reach & transfer

 Data collection

## Sales Operations

 Reactivation

 Engagement

 Reminders

## After Sales

 Inbound calls

 Invoice collection

 Feedback collection

# AI that feels real. Human-quality conversations tailored to every customer

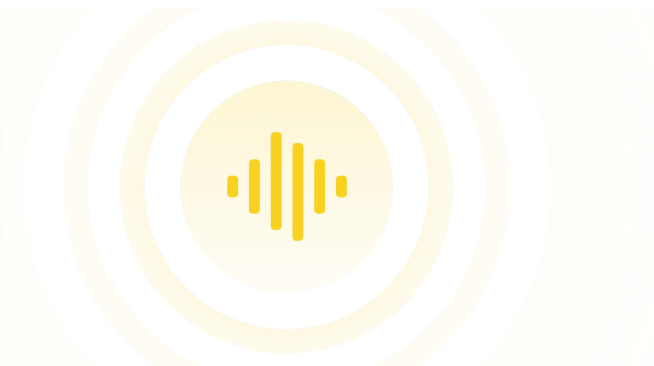

Personalize every call

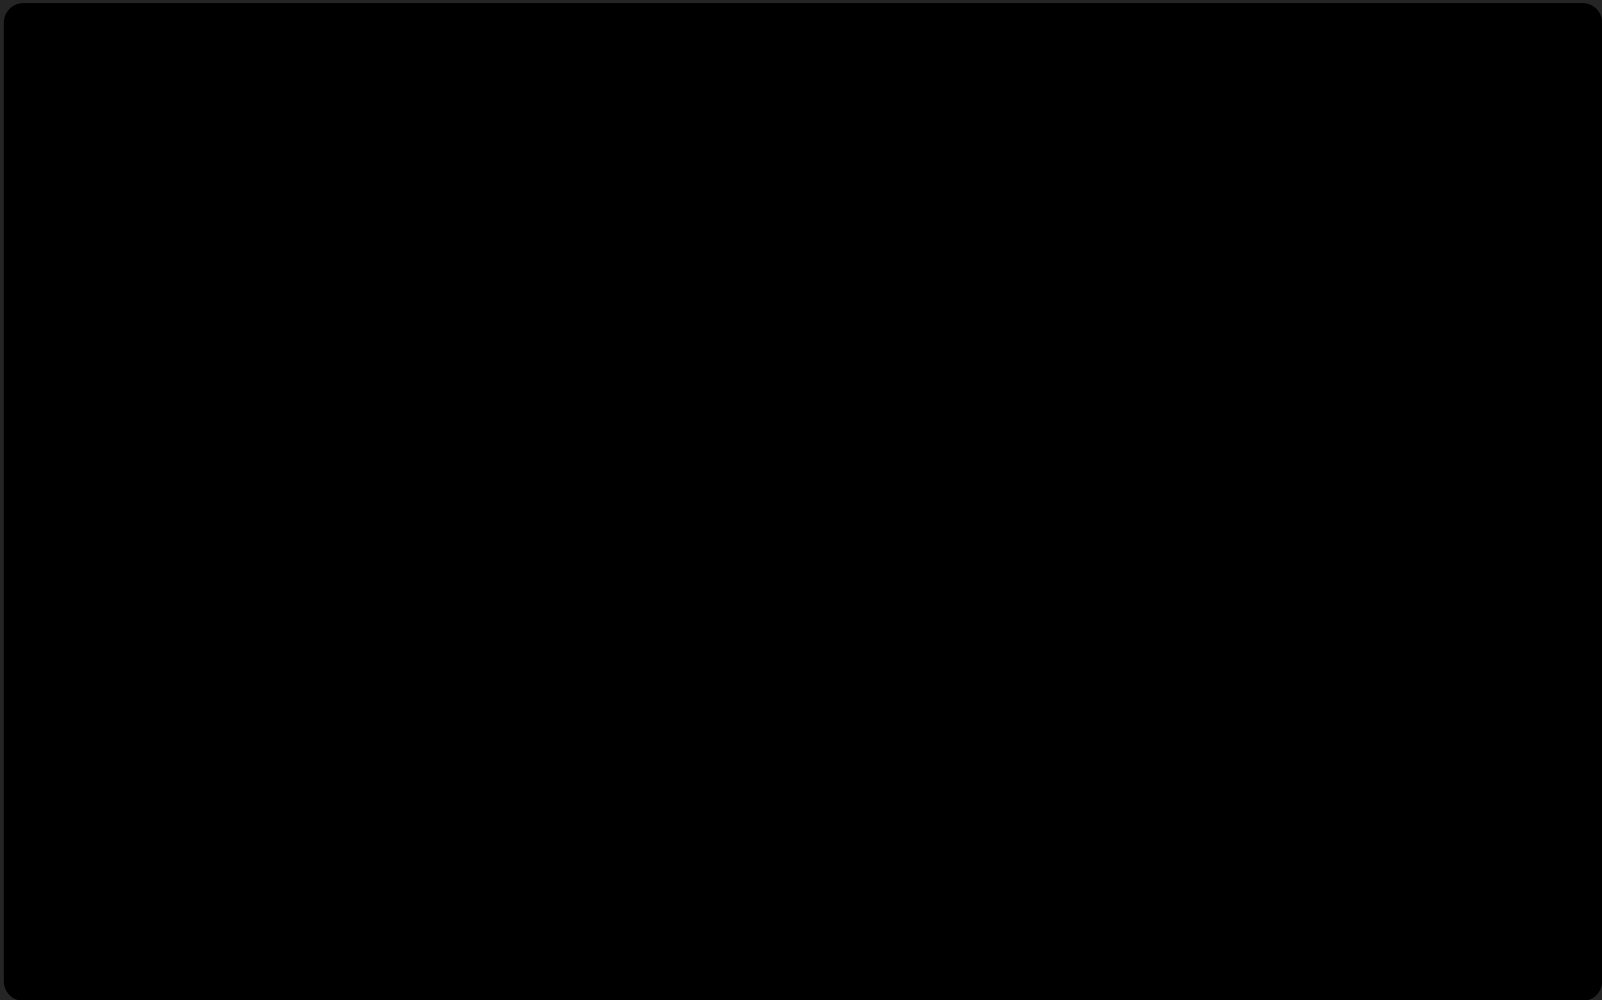

Hi `firstname` . just to confirm  
you still live at `location` ?

Speak any language

Voices in any accent

# Ready to *simplify* your call operations?

Talk to a telli AI agent yourself
